

**City of Savannah  
Parking Services Department**

Permit to Bag Meters

Name \_\_\_\_\_ Phone \_\_\_\_\_

Location \_\_\_\_\_

# of Bags \_\_\_\_\_ Purpose \_\_\_\_\_

Beginning Date: \_\_\_\_\_ Exp. Date \_\_\_\_\_

**Note: The Parking Services Department will not request the Savannah-Chatham Metro Police Department to tow any vehicles from bagged meters unless a member of the Parking Services staff is present when the meters are bagged. This is necessary to document vehicle license plate numbers so we will have a record of vehicles that were parked before the meters were bagged. Any vehicles parked prior to the placement of the meter bags will not be removed.**

Parking meter bags can be an inconvenience to neighbors and other citizens. When your activity no longer requires the meters to be bagged, please remove them promptly.

If you have any questions about your parking meter bags, you may contact the Parking Services Department Monday - Friday between 8:00 a.m. and 5:00 p.m. at (912) 651-6467. If you need to speak with someone after normal business hours you may contact the Bryan Street Garage at (912) 651-6477. Garage staff will contact a supervisor to return your call.
